

CURRICULUM VITAE

Name: Charles L. Baird, Jr., M.D.

Date and Place of Birth: August 7, 1931
Richmond, VA

Home Address: 212 Nottingham Road
Richmond, VA 23221
(804) 359-6692

Business Address: Virginia Heart Institute
205 North Hamilton Street
Richmond, VA 23221

Office Telephone #: (804) 359-9265 & 1-800-468-1030

FAX #: (804) 358-0317

INTERNET: HrtScreen@aol.com & www.vaheart.com

LICENSURE: Commonwealth of Virginia Department of Health
Professions (License #: 0101013198)

BOARD CERTIFICATION: The American Board of Internal Medicine,
Internal Medicine: 2/6/1964

The American Board of Internal Medicine,
Cardiovascular Disease: 11/13/1965

EDUCATION:

Cleveland Clinic; Cleveland, OH; Cardiovascular Fellowship: 7/1/1960 - 6/30/1962

Medical College of Virginia; Richmond, VA; Residency, Medical: 7/1/1958 - 6/30/1960

Medical College of Virginia; Richmond, VA; Internship, Medical: 7/1/1957 - 6/30/1958

Medical College of Virginia; Richmond, VA; Medical School: 7/1/1953 - 6/30/1957

University of Richmond; Richmond, VA; Bachelor of Science, Chemistry: May 1953

MILITARY SERVICE:

Letterman General Hospital (Capt. M.C.); San Francisco, CA; Chief of Cardiovascular Laboratory: 7/1/1962 - 6/30/1963

Letterman General Hospital (Capt. M.C.); San Francisco, CA; Outpatient Service: 7/1/1963 - 6/30/1964

ACADEMIC APPOINTMENTS & WORK EXPERIENCE:

Virginia Heart Institute; Richmond, VA; Director: 7/1/1972 - present

VCU Medical Center; Richmond, VA; Associate Clinical Professor of Anesthesiology: 7/1/1988 - 6/30/1994

VCU Medical Center; Richmond, VA; Associate Clinical Professor of Surgery: 7/1/1988 - 6/30/1994

St. Mary's Hospital, Richmond, VA; Chairman of Cardiology: 7/1/1982 - 6/30/1983

Cont'd

Medical College of Virginia; Richmond, VA;
Assistant Professor of Medicine: 7/1/1965 –
6/30/1972

Duke University Medical Center; Durham, N.C.;
Adjunct Professor: 7/1/1964 – 6/30/1965

Watts Hospital; Durham, N.C.; Director of
Education and Research: 7/1/1964 - 6/30/1965

University of California; San Francisco, CA; Clinical
Instructor: 7/1/1962 – 6/30/1964

ORGANIZATIONS:

American Heart Association; Fellow of Clinical
Cardiology

American College of Cardiology; Fellow: 1968

American College of Chest Physicians; Fellow

Society for Cardiac Angiography; Fellow

Medical Society of Virginia

American Medical Association; Consultant to
Council on Drugs: 1970-1972

Annals of Internal Medicine; Book Review Section

American College of Physicians: 1979

American College of Clinical Pharmacology; Fellow:
9/1985

Heartbeat; Member, Editorial Board: 1984-1987

AWARDS:

Alpha Sigma Chi (Medical School Leadership Fraternity); Medical College of Virginia; Richmond, VA: 1957

William H. Higgins Award, Medicine; Medical College of Virginia; Richmond, VA: 1959

PROFESSORSHIPS:

The Charles L. Baird Endowed Professorship for Innovative Cardiology; Virginia Commonwealth University, Department of Medicine; Richmond, VA; 1999

RESEARCH:

Efficacy of Nadolol in Chronic Atrial Fibrillation and/or Flutter: Interaction with Digoxin – Protocol #11, 775-16 – E. R. Squibb

Efficacy of Nadolol in Suppressing Exercise Induced Ventricular Arrhythmia – Protocol #11775-7 – Squibb

A Double-Blind Dose Response Study of Isosorbide-5-Mononitrate versus Placebo in the Control of Stable Angina – Protocol #01 – A. H. Robins Company

Efficacy and Tolerability of Mevacor (lovastatin, MSD) in the Management of Nonfamilial Primary Hypercholesterolemia – Study #222 – Merck, Sharp & Dohme

Safety of Betacor Alone or in Combination with Nifedipine in the Treatment of Stable Angina Pectoris – Protocol #83-001-CR – Ayerst

Double-Blind Crossover Study of Nicardipine Hydrochloride 40mg versus Placebo in Patients with Angina Pectoris – Protocol #1424 – Syntex

A study Investigating the Dose Response and Duration of Effect of Isosorbide-5-Mononitrate in a Controlled Release Formulation in Patients with Stable Effort Angina Pectoris – Protocol #S89-165-04 – Schering-Plough

Assessment of Treatment with Lisinopril and Survival – ATLAS study – Protocol #12621 L/0016 – Zeneca Pharmaceuticals

Cont'd

The Efficacy of Nifedipine GITS in the treatment of chronic stable angina

Comparison of Coronary anatomy with RISKO Scores

Cardiac Rehabilitation Research
